

Tips for Chairman:

- We recommend that you use your real name before joining an online meeting.
- Please keep track of the time according to the section conference program prepared (small shifts up to 15 minutes within a particular block are allowed).
- After each lecture, we ask for a few words of thanks to the speaker on behalf of the audience.
- After each lecture we expect about 10 minutes for a question/comment session. We recommend suggesting users to turn on the camera. We also ask you to read the comments shared in the text chat by the conference participants.
- In the absence of the speaker, please do not rush the next reading. We are following the plan.
- In case of problems related to the use of Google Meet by participants, members of the Organizing Committee of the conference will be on duty at all times during the conference (a special account called "congressiomath Lecko").
